Dear Sir,

I don't think it will pay for
the two clubs to meet here for a game,
either of the clubs would draw good
here if they were playing the
home club here in Laurensburg.
If you want to book here in
Laurensburg, I'll do all I can
for you.

I would cast around twenty
dollars to advertise your game anywhere.
This is what it always cost me
yet you would have about sixty towns
to draw from if you were playing
here.

I would be glad to book
with you next season, but I
couldn't book with you this season.
This is a good baseball town.
I am sure you would make

2

money how if you ever come
and advertise your game.

Brown use to pitch for me,
but we have really got a good bunch
of pitchers in the town.
If you ever get to a place where
you become short of pitchers
just let me know and I will
arrange so you can get a good
pitcher. If you will take this
matter up with me in plenty time
like you've this season, I will
be glad to book with you.

These are my terms - we play
60-40 after reduction is taken
out for park, the park is \$10.00
we book for two days and give
two meals each playing day
and one night's lodging. I
mention these terms so you will

know if you book with me
next season.

I played the Black & White
here last season and there are
the same terms they played.

I will close and I am wishing
you a prosperous season.

Yours in Sport
J. M. M. & R. C.
Mgrs.

P. S. When are you scheduled
to play in Turkom. Let me
know and I most likely will
come up to see the boys in action.
